

Doro Care SecurePlus

User friendly telephone with alert function

- ▶ HAC – Hearing Aid Compatibility
- ▶ Security functions
- ▶ Visible ringer

Care SecurePlus is a user friendly telephone developed to give you easy and reliable communication. With the Care SecurePlus remote you can answer remotely or dial up the alert number you have chosen. Care SecurePlus also has a visual indicator to make you aware of incoming calls by a flashing light. You can adjust the volume both on the handset, speaker and ringer.
